

If you strive for excellence, success will follow. This has been our motto since our inception in 1993. Manufacturers of electrical switches and accessories, we belong to the Chennai based Kumbhat Group of Companies who are engaged in manufacturing & distribution of electrical products for the last four decades.

Our state of the art factory with updated technological advancements is located in the heart of Ambattur, one of South Asia's most prestigious industrial zones. The powerful combination of our technical and design experts work together to pioneer breakthroughs at Litaski.

We manufacture modular switches and accessories under the brand MINT, MILO & DECO series, Switches and sockets are manufactured as per BIS 3854 and BIS 1293 standards. Our range of products in MINT includes Switches, Sockets, Fan Regulators, Dimmers, Telephone Jacks, T.V Sockets, Plug tops, USB charger, AC Box set, Hotel & Hospitality Range of products, Foot lights, MCBs, Plug tops, Angle and Batten Holders, Ceiling Roses, Musical Bells, Spike Guard and Designer cover plates includes VIVA, ARC, AND MINT.

Welcoming you to a whole new world of Switches & Electrical Accessories comprising of products curated for memorable home experiences. With an aim to make your homes both beautiful & modern, each of our products emits simplicity with the right potent of class and luxury. It will be magical how a small element of the room can transform its whole look.

Standing strong, being trusted & feeling pride is what each one of us are at Litaski are today. Our only competition is our potential. And this belief has got us a long way in the electrical industry earning the trust of our buyers & creating an everlasting relationship with them.

Come celebrate your homes with class & style while we take care of your electrical needs.
