Elegance redefined.

About us

The core object of our company is to fulfill the customer satisfaction by providing suitable services and outstanding quality to the end users.

With a proven experience in manufacturing of electrical products for the last two decades, LITASKI's R&D wing consistently maintains and improves the quality of products, after considering the feedback and requirements of the end customers. As a growing company, we are always trying to develop innovative products with utmost quality. Switches are manufactured as per BIS 3854 standards.

We are offering a variety of products suitable for your interior. Our MIST series offers different range of product like Switches, Sockets, Fan Regulators, Dimmers, Telephone Jacks, T.V Sockets and different range of Modular Cover Plates etc.

The range of cover plates include the Contemporary Modular Series - MIST, modular plates suitable for Wooden Box - MIST WOODY and modular plates which gives an extra beauty and style the way you live and work - MIST CURVE.
